Who we are

JHT LAW FIRM was founded by Jackie Hunkins-Taylor in 2007. The firm was initially established to fill a gap in the legal services offered to persons in the International Financial Services Industry. The firm quickly distinguished itself as a niche practice by offering special legal services to clients doing offshore structures. Today, it has grown and is recognised as a leading industry expert in all aspects of corporate, real estate, immigration and intellectual property matters. The firm's work transcends the borders of the Federation of St. Kitts and Nevis to other countries in the Caribbean (such as Antigua, Anguilla, Dominica, Grenada, Jamaica, Belize and the BVI) and to the world at large.

Our attorneys and staff have the requisite knowledge and skill. We are responsive, efficient and good natured. We would love to meet you face to face but in the meantime please allow us through this site to introduce ourselves. You may request more detailed information about us and our practice by emailing us at info@jhtlawfirm.com or contacting us by telephone or facsimile. You may also follow us via social media on Facebook, Twitter, LinkedIn and Instagram. We look forward to serving you.
